

20 March 2026

Dr. Haowen Xu
School of Built Environment
UNSW Arts, Design & Architecture
SYDNEY NSW 2052

Dear Haowen,

Re: Faculty Research Grant

I am delighted to advise that you have been selected to receive an award of \$7500 under the 2026 Arts, Design and Architecture (ADA) Faculty Research Grants Scheme.

You have received this award to support activities which will lead to the submission of an eligible external competitive funding application within 18-24 months of your seed funds being awarded. Please note that the release of these funds is contingent upon your contract being renewed beyond April 2026. In the event that the contract renewal is not approved, the Faculty reserves the right to reclaim the funds.

The account details are as follows:

Project ID	Dept ID	Fund Code	Amount
PS78645	ARCH_DES	SPF02	\$7500

The following funding conditions apply:

- Grant holders have until the end of the calendar year to expend the awarded grant, with all costs to be committed and processed as per UNSW Finance Close Deadlines (consult your School / Centre Manager for these).
- Funds do not carry over to the following calendar year and any unspent funds will be forfeited.
- Cost overruns – where the actual expenditure exceeds the total amount of the awarded grant for the funding year, resulting in an account deficit – are the responsibility of the grant holder. In the event cost overruns arise, the grant holder must provide evidence that the deficit has been cleared before they may apply for future funds from any internal research support schemes (faculty and school schemes inclusive).
- It is the responsibility of the grant holder to manage awarded funds and ensure that expenditure complies with all relevant UNSW policies and procedures (including those related to travel and field work).
- It is the responsibility of the grant holder to ensure the timely processing of expenditure against the funds. Any delays should be advised in writing to ada.fro@unsw.edu.au as soon as possible to avoid funds being repurposed.
- Awarded funding must be expended for the purposes set out in your original approved budget. Variation requests must be submitted via email to the Faculty Research Innovation Manager at ada.fro@unsw.edu.au.

- Any resulting grant application must list UNSW as the administration organisation with the primary Chief Investigator being an ADA staff member. Faculty support funds cannot be used to seed applications where other faculties or other universities are the administering institution.

A copy of your application and outcome letter can now be accessed via the [Internal Grants Portal](#). [Post-Award FAQs](#) are available via the ADA Research SharePoint pages.

Congratulations again, I look forward to hearing of your future success.

Sincerely

Professor Daniel Robinson

Associate Dean, Research Quality and Culture

Arts, Design and Architecture
